ExpandedED Schools

Close the learning gap. Open the world.

THE CHALLENGE

By the time they reach 6th grade, kids born into poverty are likely to suffer a 6,000-hour learning gap compared with their middle-class peers.

To put this in perspective, 6,000 hours is the equivalent of five years in the classroom.

OUR MISSION

ExpandedED Schools is a non-profit working to close the learning gap by increasing access to enriched education experiences.

OUR IMPACT

Since 1998, we have expanded opportunities for more than 800,000 kids.

We reimagine learning time - in school, after school and during the summer - seeking to ensure that *all* kids have opportunities to discover their talents and develop their full potential.

OUR SOLUTION

A scalable model that reimagines and works within schools to help close this gap

EXPAND THE SCHOOL DAY

Adding 2.5 hours each day; closing the learning gap by 450 hours/school year

ENGAGE THE COMMUNITY

Bringing additional passion, talent, child development expertise and role models into the classroom

ENHANCE THE LEARNING
